**2018 - SUMMER TERMS 5 & 6 NEWSLETTER**

Dear Parents

Welcome back to the Summer Term. We hope that you all enjoyed the Easter holidays.

It was exciting to see the fantastic new adventure playground all finished and ready to play on at the start of term. We want to say a really big thank you to the Friends of the School (FOTS) for all their hard work fundraising for this. It's great to see how much the children are all enjoying it.

Before:

and after:

The Easter Egg Hunt organised by FOTS was a really well-attended, enjoyable event which raised £1158.83! A Quiz Night and Raffle have also recently been held by FOTS. Well done and thank you to everyone involved with all these fundraising efforts. The big summer term event will be C-Fest on Saturday 7th July from 1-4pm, which is always lots of fun. It is great that the fundraising continues as the school is now looking into updating the Forest School area as a future project. If you have any ideas about developing the Forest School site please do speak to Mrs Guest, and we will keep you updated of plans as they develop. The FOTS are always keen to welcome new volunteers on to their team, so please get in touch with your year representative if you would like to help (FOTS have a page under the Our Community heading on the school website [churchdownvillageinf.co.uk](http://churchdownvillageinf.co.uk) with more information).

There are many varied options for you as parents to get involved with the school. As well as FOTS volunteers, the school would welcome parents who would like to volunteer for other activities. If you would be interested in helping to listen to the children read please contact your class teacher. If you have painting skills and would like to volunteer to help re-paint the school benches then please contact Mrs Guest.

There are also a number of activities taking place over this term that parents are encouraged to attend. On Tuesday 8th May it will be Science Investigation Day in school, and if you would like to join your child's class to help with experiments and see what goes on then please speak to your class teacher. The annual Performance Evening, which includes a concert by Year 1 and 2 children and then a picnic and country dancing, will be taking place on the 14th June. All families are invited to join this evening, which is always much enjoyed by the children, parents and teachers. Then there will be Sports Day on the 29th June (weather-dependent!) where parents are very welcome to come and watch and cheer.

For those of you with children reaching preschool age, we wanted to let you know that there are still some sessions available for those starting Pre-School in September 2018. Please contact the school office if you are interested.

The governors are continuing their regular committee meetings and full governing body meetings this term.

We wish you all a happy Summer Term.

Yours sincerely

Emma Hartwell
