Spring 3 - Week 1

www.churchdownvillageinf.co.uk

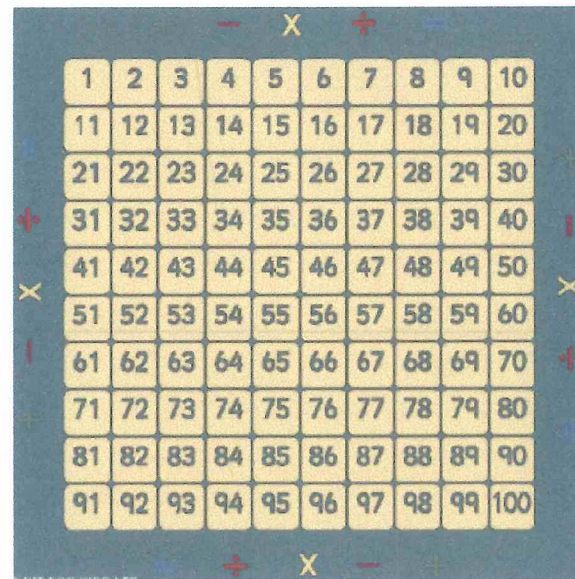

Literacy

The children have come back refreshed from their Christmas break and have been eager to learn. We have covered the split digraph o-e in phonics and looked at the spellings for the week to address any misconceptions. The children have started a new focus for Talk 4 Writing. This term we are basing it on the story of Monkey See Monkey Do but have swapped monkeys for Minions!

Maths

The children have concentrated on number work this week. This has involved selecting Minion numbers and adding them using 2 digit and 1 digit numbers and also 2 digit and 2 digit. We've built on their knowledge of how to use 100 squares as a resource for adding and subtraction and helped them to draw their own numberlines to solve sums.

Jonathon's Jungle Roadshow

We had a fabulous visit from Jonathon and his 'pets'. Please ask your child to tell you 3 facts they learned about the creatures.

Notes to parents:

Mrs Fleet will be away for at least another week. We hope she will be back soon as we are really missing her!

Thank you ☺ From the Year 1 Team
